

Strength of a Team

#	Question	5 is highest				
		1	2	3	4	5
1.	Do I know what is expected of me in my team?					
2.	Do I have the materials and equipment, I need, to do my work right?					
3.	At work, do I have the opportunity to do what I do best every day?					
4.	In the last seven days, have I received recognition or praise for doing good work?					
5.	Does my supervisor, or someone in my team, seem to care about me as a person?					
6.	Is there someone in my team who encourages my development?					
7.	In my team, do my opinions seem to count?					
8.	Does the mission/purpose of my team and company make me feel my job is important?					
9.	Are my co-team-members committed to doing quality work?					
10.	Do I have a best friend in my team?					
11.	In the last six months, has someone in my team talked to me about my progress?					
12.	This last year, have I had the opportunity at work to learn and grow?					

Project Temperature

#	Question	5 is highest				
		1	2	3	4	5
1.	Has the project generally delivered the expected value to the stakeholders?					
2.	How close are the deliverables to the stakeholders' (possibly revised) expectations?					
3.	How close is the project's timeline to the stakeholders' (possibly revised) expectation?					
4.	How close is the project's budget to the stakeholders' (possibly revised) estimate?					
5.	How close is the project's quality to the stakeholders' (possibly revised) expectation?					
6.	How well did you handle discovered information or stakeholders' changed priorities?					
7.	Does the project generally meet your own expectations?					
8.	Do the individuals in the project generally take responsibility for the work?					
9.	Can the project team generally solve the issues that come up in the project?					
10.	Can the team keep up a steady pace instead of working in starts and stops?					
11.	Does the work in the project give a sense of satisfaction and challenge to grow?					
12.	Would you choose to work on this project again, if you had the choice?
